The Stars Say

For Thursday, June 2

A Lively and eventful day
is forecast from the pre-
dominant lunar positions with
stirring about sudden change
and a disposition to jump into
situations somewhat risky
through rash impulse and
high pressure moves. The ene-
gies and faculties will be under
high stimulus but inclining to
headstrong ways and ill-
guarded speech which may
provoke danger and inharmonies
defeating the desired end. Shun
snap decisions, extra space
and special precautions.

The whose birthday it is
are confronted by a lively and
stirring year with the energies
and faculties under high pres-
sure. There may be change,
removal or travel.

A child born on this day
should be energetic, enterprising
talented and ambitious but
may defeat itself by impetu-
ous turbulence and willful-
ness, unless early disciplined.

It's as though the tobaccos were "welded" together...

"CROSS-BLENDING" means much more than just mixing tobaccos together. It "welds" together different kinds of the several varieties of tobacco. Many types of Bright tobacco, a great many types of Burley tobacco and numerous grades of Turkish tobacco.

THIS "WELDING" TOGETHER—or Cross Blending—permits every kind of tobacco used in the Chesterfield blend to partake of the best qualities of every other type. Each tobacco is thus made to yield its finest flavors.

CROSS BLENDING takes all these pleasing flavors and aromas and combines them into one—the Chesterfield taste. And we think you will agree that it is a far better taste worth all the extra care that Chesterfield takes to get it.

EVERYTHING that money can buy and that science knows about is done to make CHESTERFIELD milder and taste better.

# ROCKS GREET MINE OPENING

**Stone Barrage Hurdled at Workmen as Shaft Re-sumes Operations.**

By The Associated Press  
COLUMBUS, O., June 1.—Speeding through a barrage of rocks 31 miners entered Wolf Run mine in Jefferson county today to resume operations after a two-month lay-off caused by a strike of bituminous coal miners in Ohio. The deep shaft mine at Unionville, Harrison county, blew the whistle, but no workmen reported.

A number of automobiles were stoned as they passed through 300 alleged striking mine pickets at the entrances of Wolf Run mine but only two windshield were shattered. None was injured.

Sheriff W. J. Yost of Jefferson county six deputies and four Ohio National Guard observers from Cadiz were at the mine when it resumed operations. They reported that a number of other workmen were turned back by the rock barrage.

In the Hocking and Sunday Creek valleys in Athens county the Lick Run and Black Diamond mines continued operating without molestation from several hundred pickets gathered near each mine. National Guardsmen called out after a number of disorders in the district continued to patrol the mine properties.

Officials reported 49 men working at Black Diamond mine near Athens and 24 at Lick Run near Nelsonville. Black Diamond normally employs 300 men and the Lick Run mine 300. The mines reopened under the governor's "peace" plan.

for several weeks last winter was used by a man for sleeping quarters prior to his being removed to a county institution.

Cleanliness and what measure of comfort, both mental and physical, that can be given the guests is the keynote of the place. Furnishings of the sitting room have been donated as have also some of the equipment of the kitchen and the long tables and benches in the dining room have been made at a small expenditure of time and money. With the exception of a few, the double deck sleeping cots were new last fall as were the mattresses and bedding. The older cots have been renovated, repainted and equipped with new mattresses and bedding.

**Caretaker in Charge**

The place is in charge of a caretaker and assistant at all times and a careful check is kept on all activities. The men occupy rooms for their needs but could be made more comfortable and tidy with the addition of dressers or bureau. Persons having one of these articles in other contributions which might add to the comfort of the place are asked to communicate with Captain Hunter.

Both the lodging quarters and the feeding of the transient men are financed through the voluntary contributions of business men, civic and fraternal organizations and citizens of the city. Established by Captain Hunter as an emergency relief measure the lodging quarters will likely continue as a permanent project he stated.

Under the circumstances the two-fold project is rendering a real

# DURBIN TO APPEAR IN COURT MONDAY

**Kenton Democratic Leader Posts \$1,000 Bond After Indictment.**

Continued from Page One

He was described by Prosecutor Bears as the go-between in the supposed negotiations leading to the attempted bribery and blackmail charges.

**Warrant Issued**

A warrant for Mulkahy's arrest has been turned over to Sheriff C. Fred Vollmer of Crawford county. Prosecutor Bears was unable to say whether he will be apprehended in time to be arraigned Monday with Durbin.

Durbin's charges of perjury and obstruction of justice are being handled by the state through the grand jury. The state has not yet decided whether to charge Durbin with perjury or obstruction of justice.

It is very foolish for him to make out that this thing is a matter of procedure. It was very apparent that the person, Mulkahy, who is charged with this thing, was not complying with the law.

It was not until the grand jury became known to me who sponsored the charges. If the charges contained in the indictments are true, then Mr. Durbin should be treated the same as any other individual.

It appears to me that he is attempting to swing some public sentiment toward himself by calling it perjury.

# Bishops' Indian Sign Working, So Lee Street Loses, 6-5

## BRUNNS, BRAVES KEEP UP VALIANT BATTLE FOR NATIONAL LEAD

Cleveland, Cincinnati Both Lose; Washington Beats A's in Twelfth.

By The Associated Press  
Red Lucas, star Cincinnati hurler, apparently is out to set a modern record for complete games pitched in a season.

Thus far, the popular red head has started and finished 10 contests, and has won seven of them. At that pace he stands an even chance of equalling or bettering the modern mark of 36 complete games set by Grover Cleveland Alexander back in 1915.

Two hurlers, Wes Ferrell of Cleveland and Bob Grove of the Athletics, turned in 27 full-time jobs last season. Cincinnati's "work horse" should have little difficulty passing that figure.

That Dan Howley, Red boss, is in sympathy with Lucas' ambition was demonstrated yesterday, when the Reds took a 1 to 1 beating from Pittsburgh and left back into a tie with the Pirates for third place in the National league.

Lucas yielded six hits and four runs in the first two innings, but stuck it out to allow only three hits the rest of the way.

The battle for top position in the National remained at a standstill as both Chicago and Boston won. The Cubs defeated St. Louis, 2 to 1, behind Lon Warneke's six-hit pitching, while Ed Brandt outpitched the Braves to a 7 to 2 triumph over the Giants.

Brooklyn and the Phillies were not scheduled.

Lusty hitting by Heide Manush in the extra innings enabled the Washington Senators to take a hot one from the Philadelphia Athletics, 5 to 4, in 12 rounds.

Manush slapped a home run in the eleventh and, when that wasn't good enough to win, came right back with a triple in the twelfth that scored Buddy Myer with the clincher.

The day's only other contest in the American resulted in a 6 to 5 victory for the embattled Chicago White Sox over Cleveland. Errors by Vosmik and Morgan helped the Sox score five times in the sixth inning.

## CALVARY LOSES TO PRESBIE TEAM, 3-2

Irish Thump Lutherans, 6-1; Trinity Triumphs; Three Clubs Share Top Position.

By Bob Kirkpatrick  
Sports Editor, The Star

The Lee Street Presbyterian softball team of the No. 1 Sunday school circuit are probably pretty thoroughly convinced today that the Epworth bishops have the old Indian sign hung on them. The Lee Street club played a competition in the league last year has the team been able to turn in a victory over the Bishops. Three times the teams have met and three times the Bishops have won all by one.

run margin. Yesterday afternoon was the third time Lee Street bowled to the Bishops 6-5.

When the Bishops walked off the Lincoln park field victorious Lee Street stumbled out of undisputed possession of first place clear into the fourth position. St. Mary's and the First Presbyterians hurried into a deadlock with the Bishops for the top rung by turning back the Lutherans and Calvary by scores of 6-1 and 3-2. Trinity Baptist climbed in the 500 per cent mark by beating John Clark's Epworth No. 1 club, 5-1.

Eddie Mautz and Shanty Richards both gave up seven hits as the Bishops and Lee Street went through their seven inning melee and both teams committed a pair of misplays. Lee Street put together a pair of hits in the first inning to score the first run, but the Bishops hopped on Richards for four hits and four runs in the second. Lee Street whittled away at the lead until the count was again deadlocked in the fourth inning. Van Seoy clubbed a home into left field to tie the count at four apiece. The Bishops added another pair of runs on a pair of hits in the fifth and then held the advantage the rest of the game. Heide Crabtree, Lee Street right fielder, was the batting star of the game, collecting three extra hits in four times at the plate.

The First Presbyterians hopped back into the victory column after dropping a tilt to Lee Street a week ago by slipping the skirts under the faltering Calvary club, 3-2, take

## WORK-HORSE LUCAS

RED LUCAS

Red Lucas, ace hurler of Dan Howley's Cincinnati Reds' mound staff, is out after the complete games pitched record for the National league. Lucas turned in his tenth complete game yesterday although he lost to Pittsburgh. To date he has won seven of his 10 starts. Old Work-horse Lucas, the boys call him in the Queen City.

## INTERMEDIATE LOOP OPENING DELAYED

The opening games of the Intermediate softball league have been delayed one week. The first games, originally scheduled for today, are expected to be played next Wednesday.

The league managers will meet Friday at the Y. M. C. A. at 8 p. m. All teams interested in competing are asked to have a representative present at the meeting. Indications are that either 10 or 12 teams will take part this season.

## BATTLE WITH UMPIRE BRINGS HEAVY FINES TO CHISOX PLAYERS

Fonseca, Gaston Get Biggest Penalties; Moriarty "Bawled Out" by Harridge.

By The Associated Press  
CLEVELAND, June 1.—It will cost four members of the Chicago White Sox good money for their affair of this afternoon with Umpire George Moriarty and the veteran pitcher can nurse a severe reprimand, as well as his injuries.

President Will Harridge of the American league, after an investigation of Moriarty's battle with the Sox here Memorial day in which the umpire suffered a broken right fist and Umpire Milton Gaston was knocked out, last night handed out penalties and censured all around.

Manager Lew Fonseca of the Sox was fined \$500. Pitcher Gaston was a severe like sum and suspended 10 days, and Catchers Charley Berry and Frank Grube were penalized \$250 and \$100 respectively. Coach Johnny Butler was suspended for five days, for "use of profane language" toward Moriarty.

Moriarty, who broke his hand on Gaston's jaw and proclaimed himself ready to fight the whole Chicago team, was "severely reprimanded for neglect of duty," Harridge announced. The league president held that according to Moriarty's own story, the umpire should have chased Fonseca and Berry from the game before the trouble started.

Fonseca heard the bad news calmly. "Harridge is the boss and anything he says goes," he said. Moriarty could not be reached.

The fight, an incident Harridge said has not been duplicated in the 21 years he has been in baseball, took place after Cleveland defeated Chicago in both games of a double-header. Berry and Moriarty were arguing when Gaston stepped in and took one on the chin, according to Cleveland players, Fonseca, Grube and Berry were then reported to have rushed Moriarty. Gaston, however, was the only one actually involved in the fistfight.

## FIRST TOURNEY TO START THIS WEEK

The first of the club's major 1932 tournaments will be launched Friday, Saturday and Sunday of this week at the Marion Country Club. The qualifying rounds of the Vice President's trophy tourney will be played on these dates.

The 32 low gross scores will qualify in this tourney. The 32 qualifiers will be paired for match play the following week. The tourney is a handicap meet, open to all members of the club.

## DIAMOND MOGLS TO MEET TONIGHT

The city recreation hall commission will convene today at 7:30 p. m. in its regular monthly meeting at the Y. M. C. A. Several matters of considerable importance will be discussed at the meeting, including one proposal and one request for a forfeited game.

The commission is also expected to consider possible ways of keeping the city diamonds in better condition for play.

Before Lew Fonseca, manager of the Chicago White Sox starts 'popping off' again to an umpire he will probably do some heavy thinking about who is going to pay the bill.

And so will Charlie Berry, Frank Grube and Milt Gaston, Chicago players. The four were either fined or suspended or both yesterday as a result of a brawl with umpire George Moriarty on Memorial day at Cleveland. Fonseca drew a tax of \$500. He is pictured above.

## AMERICAN NET HOPES SLIP AS WOOD DROPS MATCH TO LA COSTE

French Star Flashes Old-Time Form in Beating U. S. Singles Ace.

By The Associated Press  
AUTEUIL, France, June 1.—Rene Lacoste, who led the "three musketeers" of French tennis five years ago when they captured the Davis cup from America, stands out again this year as a possible candidate for the French Davis cup team after three years in retirement.

Lacoste came back this year in the French championships, playing, he said, for the fun of it. But to officials of the French tennis federation, who regarded his match with Sidney B. Wood Jr. yesterday as a vital test, his victory appears to be of considerable significance.

For the invading Americans, the consequences of Lacoste's triumph were far-reaching. Not only did it leave Gregory Mangin as the only surviving American in the men's singles but it cost Wood and Mrs. Helen Wills Moody a possible victory in the finals of the mixed doubles. They had to go on soon after the big singles match to face the English pair of Betty Nuthall and Fred Perry in the final match. Wood was so tired that Mrs. Moody had to carry the burden of the match and the Americans were beaten in straight sets.
